## Wrightwood Community Garden Grants

### School Plot Grant Program

#### **Hoop House Project**

WCG is offering assistance to the two local schools who have existing plots in the WCG. The goal is to provide labor and materials for building a hoop house for the school plot. School must submit a letter, written by one or more of the students at the school, explaining why their school would benefit from a hoop house.

**Deadline: September 1<sup>st</sup>**

**Grant: Hoop house paid for and installed**

#### **Individual Plot Hoop House Project**

WCG is offering assistance to individual plot members at the WCG. The goal is to offer assistance to low income individuals and families and provide a hoop house for growing food. You must be a current member of the garden to apply. Application must consist of a letter explaining your need for a hoop house and a narrative description of financial need.

**Deadline: Ongoing, apply at will, ends at fall closure of garden.**

**Subject to availability of funds.**
